Curriculum Road Map Day

Dear Parents,

We are happy to welcome our first batch of class XI to the Curricular Road Map Day (CRMD) 2022.. The aim of the programme is to familiarize the students and parents with the curriculum, rules and regulations and the teaching methodology for the upcoming session. The programme will commence with a warm welcome to the students and parents followed by a detailed description of the learning parameters and the teaching and learning pedagogy followed in the school. It also includes a briefing on special programmes taken up by the school to ensure a strong college foundation as well as vocational /career awareness.

We request your presence alongwith your child for the annual Curriculum Road Map Day program to share with you the strategies and the regular curriculum planning. Students are expected to be in school uniform.

This will benefit both the parents and school staff in establishing a better rapport and help in taking care of the children's education with a common approach.
