Guiding Light: A Note from the Principal

Dear Readers,

I hope you all had a refreshing and joyful summer break! June was a time to relax, recharge, and spend quality moments with family and friends. As we return, let's carry that renewed energy into the coming months. I'm excited to see the enthusiasm and creativity that our students will bring back to school. This edition of our newspaper captures the spirit of our school community and highlights the passion that makes our school so special.

Wishing everyone a great start to the new term!

HEADMISTRESS

A Nurturing Note: Words from Our Headmistress

Dear Readers,
I hope the month of June brought rest, joy, and memorable moments to you all. Summer vacations are a beautiful pause – a time to unwind, explore, and return with renewed enthusiasm. As we step into the new term, I'm filled with pride and excitement for the journey ahead.

Each student brings with them a spark of potential, and together, we continue to create a nurturing space for learning, growth, and kindness.

This edition of our newspaper is a reflection of our school's vibrant spirit – even during breaks, the dedication and creativity of our students shine through.

Wishing you all a successful and fulfilling term ahead.

Best Wishes

Ms. Monalisa Sarkar

From the Editor's Quill

Dear Readers,

As we step into the heart of the year, June greets us with the warmth of summer and the promise of new beginnings. It is a month that balances reflection and renewal – a time to celebrate what we've accomplished and to set our sights on what lies ahead.

This edition of our newsletter captures the spirit of the season. From academic achievements and cultural highlights to inspiring student initiatives and faculty insights, every page is a testament to the vibrant life of our institution. We've also featured stories that celebrate creativity, resilience, and the collective efforts that make our community truly exceptional.

Let this month be a reminder that growth often comes quietly – like the longer days and brighter skies – urging us to keep learning, evolving, and dreaming. Wishing you a joyful and productive year.

VASUDHA PAKHWADA 2025

GO SHARPENER WORKSHOP SPARKS SUSTAINABLE THINKING

Vasudha Pakhwada 2025 kicked off with an inspiring and impactful session by Go Sharpener, setting the tone for a fortnight dedicated to sustainability. The engaging workshop empowered students to explore innovative solutions, sharpen their problem-solving abilities, and reflect on their role in building a better, greener world. Through hands-on activities and meaningful discussions, students were encouraged to think critically, collaborate creatively, and take ownership of positive change. The session left young minds energized, with a renewed sense of purpose and responsibility toward the planet and society. Day 1 proved that real change begins with awareness—and the courage to act.

15 Days of Sustainability, A Lifetime of Responsibility

YOUNG CREATORS TURN WASTE INTO WONDER

On the second day of Vasudha Pakhwada 2025, students from Classes 3 to 5 took sustainability into their own hands during a vibrant Best Out of Waste activity. Using discarded materials like tin boxes, newspapers, and cardboard, the young eco-artists crafted imaginative planters, nameplates, pencil holders, and decorative items.

The initiative not only sparked creativity but also reinforced the values of reuse, innovation, and environmental responsibility. By turning everyday waste into meaningful creations, students learned that sustainability starts with small, thoughtful actions.

Day 2 proved that when imagination meets purpose, even waste can become a work of art.

ECO WARRIORS LEAD THE COMPOSTING CRUSADE

The spirit of sustainability was in full bloom on Day 3 of Vasudha Pakhwada 2025, as student members of Vasudha – the Eco Club launched a composting awareness campaign across the school. Armed with facts, visuals, and real-life examples, these young eco warriors visited classrooms to collect biodegradable waste and educate peers about composting.

The initiative highlighted how simple steps—like reusing kitchen waste—can lead to meaningful environmental impact. Their message was clear: composting is not just a practice, but a powerful way to give back to nature.

A green mission, carried out with passion and purpose!

CAMPFIRE TRAILS

YOUNG EXPLORERS DIVE INTO A THRILLING SUMMER AT DIS EDGE!

The DIS Edge Summer Camp 2025 concluded on 14th June, bringing an end to nearly a month of vibrant activity, joyful learning, and unforgettable moments. Spanning two exciting cohorts – from 19th May to 14th June – the camp welcomed enthusiastic students eager to make the most of their summer through meaningful and fun-filled experiences.

Throughout the camp, the school campus was abuzz with energy. Students engaged in a diverse range of activities including swimming, skating, taekwondo, gymnastics, dance, music, and art & craft. Each session was thoughtfully curated to not only entertain but also enrich – helping children develop new skills, explore hidden talents, and build confidence in a supportive and playful setting.

The camp was more than just a break from academics. It was a celebration of learning beyond the classroom – where teamwork, creativity, resilience, and curiosity thrived. Whether mastering a new taekwondo move, performing on stage, crafting colorful artwork, or simply making new friends, each child carried home memories to treasure.

Parents and facilitators alike praised the camp's well-rounded approach, noting how children returned home each day with new stories, broader smiles, and a genuine love for learning through fun. As we close the chapter on this year's summer camp, we extend a heartfelt thank you to our dedicated instructors, energetic participants, and supportive families. The success of DIS Edge Summer Camp 2025 reminds us that when learning meets joy, magic truly happens.

We look forward to welcoming everyone back next year for another summer full of sunshine, discovery, and endless excitement!

INHALE CONFIDENCE, EXHALE STRESS

DIS EDGE CELEBRATES YOGA DAY WITH CALM, CLARITY, AND CONNECTION

21st June 2025 marked a meaningful celebration of International Yoga Day for Delhi International School Edge, as students, cadets, and community partners came together to honour the power of yoga in promoting harmony, health, and inner balance.

In a proud moment, the NCC cadets of DIS Edge participated in the official Yoga Day celebration at the historic Mutiny Memorial, Sarai Pipal Thala, Delhi. Set against the calm of the early morning sky, our young cadets performed a series of yoga asanas with precision and discipline, truly reflecting this year's theme: "Yoga for Harmony and Peace." Guided by trained instructors, the session emphasized not only physical well-being but also the mental strength and unity that yoga fosters. The cadets stood as a shining example of the NCC values – Unity, Fitness, and Dedication.

Back on campus, Delhi International School Edge, Sector-18, Dwarka, in collaboration with the Sajhi Peהל Interact Club and the Rotary Club of Delhi Regency Next (District 3011), hosted a parallel Yoga Day event to reinforce the importance of wellness and community spirit. Students took to their mats with enthusiasm, performing sequences that demonstrated balance, control, and mindfulness. The event served as a reminder that yoga is not just a practice—it is a way of life that enhances focus, discipline, and overall well-being.

By engaging in yoga both on and off campus, the DIS Edge community came together to celebrate not just the ancient tradition of yoga, but also its relevance in today's fast-paced world. The day inspired students to carry forward the spirit of self-care, mindfulness, and unity, long after the mats are rolled up.

COLLABORATING FOR FUTURE PATHWAYS

DIS EDGE SHINES BRIGHT AT MERITORIOUS AWARD CEREMONY!

Delhi International School Edge basked in glory at the prestigious Meritorious Award Ceremony hosted by Amity University. The event celebrated academic brilliance and educational excellence, and DIS Edge proudly stood out among the best.

A number of our students - Mihul Goel, Tanmay Chaudhary, Mhd. Sameer Siddiqui, Ryba Pahwa, Nishita Dhawan, Drishti Chauhan, Harshit Rawat, Prakriti Joshi, Yashika Pandey, Shivangi Shrivastava, Janice Pandit and Rishika Chaudhary received well-deserved recognition for their outstanding academic performance, while our dedicated teachers and respected Principal were also honoured for their relentless commitment to nurturing young minds.

EXPLORING MINDS & CAMPUSES: A VISIT TO O.P. JINDAL UNIVERSITY!

Students from Delhi International School Edge recently embarked on an exciting educational trip to O.P. Jindal University, where learning came to life beyond the classroom. The visit included a captivating session on psychology, highlighting how art and color influence mental well-being, leaving students both inspired and intrigued. From walking through the state-of-the-art campus to enjoying a hearty meal at the student mess, the experience gave students a real taste of university life and insight into the evolving higher education system.

This enriching trip not only broadened their academic horizons but also sparked new aspirations. A heartfelt thank you to O.P. Jindal University for such a warm and educational experience!

NURTURING FUTURE MEDICAL MINDS

Mediminds Internship: DIS Edge Students Step into the World of Medicine

This summer, students from Delhi International School Edge embarked on a transformative journey into the world of medicine through an enriching internship organized by Career Width in collaboration with Mediminds. This prestigious program provided students with a rare and valuable opportunity to gain hands-on experience in various healthcare settings, allowing them to explore complex medical concepts and engage directly with seasoned professionals in the field.

Throughout the internship, students delved deep into real-world clinical practices, observing diagnostic procedures, understanding patient care protocols, and learning about the ethical responsibilities that medical professionals uphold. The immersive experience helped them develop essential skills such as critical thinking, empathy, and effective communication—skills that are crucial for any aspiring healthcare professional.

Beyond academic knowledge, the program fostered a spirit of compassion, curiosity, and dedication among the students. It was an eye-opening experience that broadened their horizons and helped them gain clarity about their future career paths in the healthcare sector.

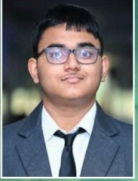

We extend our heartfelt gratitude to Career Width and Mediminds for providing this invaluable platform, which not only broadened our students' perspectives but also ignited their passion for medicine. This internship has truly been a stepping stone for nurturing the healers, innovators, and changemakers of tomorrow.

Medical Dreams Turns True
Proud Moment for the School

Cambridge Assessment International Education, Delhi International School, AISC, FIT INDIA, Eat Right, ASTRONOMY ROBOTICS, Interact, R2 Education

Delhi International School Edge is delighted to share the outstanding achievement of four of its students, who have successfully cleared the NEET 2025 examination in their very first attempt. This proud milestone reflects their relentless dedication, hard work, and the strong academic foundation provided by the school.

Preparing for NEET – one of the most competitive medical entrance exams in the country – requires unwavering focus, strategic planning, and months of rigorous study. Our students embraced the challenge with determination and emerged successful, setting a brilliant example for their peers.

Throughout their preparation journey, the students displayed exceptional time management skills, discipline, and a deep commitment to their goals. They not only mastered complex concepts in biology, chemistry, and physics but also learned how to stay calm under pressure and believe in their capabilities.

We congratulate our young achievers on this remarkable feat and wish them the very best as they begin their journey in the world of healthcare. The entire DIS Edge family stands proudly behind them, inspired by their success and hopeful for the future they will help build.

The greatest achievement is to outperform yourself.

Delhi International School Edge is thrilled to celebrate the outstanding achievements of our young athletes at the Delhi Olympics Association Taekwondo Championship! With fierce determination and unwavering focus, our students delivered a powerful performance, bringing home a total of 11 medals – including 2 Gold, 5 Silver, and 4 Bronze.

The championship was a true test of strength, skill, and sportsmanship, and our Taekwondo warriors rose to the occasion with grace and grit. From the agility of our youngest participants to the sharp techniques of our senior contenders, the DIS Edge team lit up the arena with their passion and precision.

A special congratulations to Gold Medalists Akshaan Shah Deo (Class X) and Yashmaira Singh (Class I) for their exceptional victories!

A steady presence

*You cosset me even when I
flout
remaining clement I wonder
how
You're by my side during
somber weeks
and when crestfallen is how
I feel
You're by my side during
merry weeks
and when ecstatic is how I
feel
Indrawn is something I can't
be when you're around
for you've never been
distract even when inane are
how my words sound*

Young voices rise with hope and light,
They speak of peace, they dream of right.
With questions bold and hearts so true,
They show the world what youth can do.
Their words can build a world brand new.

— Suryansh Yadav (VII B)

My Thinking About Aliens

I'm looking up into the sky
And I am thinking, how can it be this big?
Why is there so much of it?
But I am mainly thinking about aliens.

Wondering whether there is someone or
something
Doing the same.
Looking up,
Hoping or knowing there is life out there.

— Vedansh Yadav (VII B)

J'ai un ami, une amie aussi,
Ils sont gentils, ils sont ravis.
Ils jouent avec moi tous les jours,
Avec eux, je ris toujours.

Quand je pleure ou suis fâché,
Ils viennent vite pour me parler.
Ils me donnent de grands câlins,
Et tout va bien, tout va très bien.

On partage jeux et secrets,
On parle doucement, jamais de stress.
On dessine, on chante, on court,
Notre amitié dure pour toujours.

Un ami, c'est comme un frère,
Une amie, c'est comme une sœur chère.
Ils sont là dans mon petit cœur,
Ils m'apportent joie et bonheur.
