

# DIS EDGE CHRONICLE

Inspiring. Informing. Leading

**“The beautiful thing about learning is  
that no one can take it away from  
you.”**

**-B.B. King**

*Dear Readers,*

*September and October at our school was painted with colours of creativity and joy. Weeks of preparation blossomed into one grand celebration — the Annual Day! The corridors echoed with music, laughter, and rehearsals that turned ordinary days into moments of magic. As the curtains rose, every performance told a story of passion, teamwork, and pride. October wasn't just about an event; it was about discovering the joy of coming together and celebrating our collective spirit.*

# GUIDING LIGHTS, SHAPING FUTURES

## "A Day for Our Teachers"

*Amid laughter, applause, and heartfelt smiles,  
our corridors echoed with love and admiration.*

On 5th September, the students of Dis Edge celebrated Teachers' Day with deep gratitude and boundless joy.

Through songs, dances, and little acts filled with affection, they expressed what words often cannot – their love for the guiding lights who nurture dreams and inspire excellence every day.

From fun-filled games to touching performances, the celebration was a beautiful reminder that behind every shining student stands a teacher who believed in them first.

# THE SKY WAS NEVER THE LIMIT

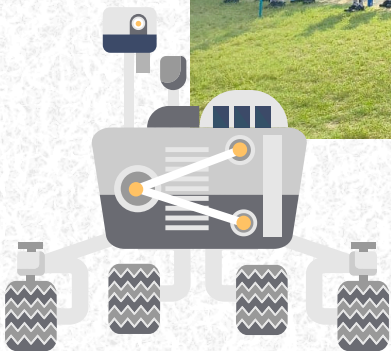

*"It Was Just the Beginning"*

*With dreams that soared beyond the skies,  
and hearts that glowed with pride.*

Our young learners gathered to celebrate India's tryst with the Moon.

The Special Assembly on Chandrayaan-3 at Dis Edge was a blend of wonder, knowledge, and national pride. Through soulful narrations, rhythmic performances, and creative displays, students relived the glorious moment when India etched its name on the lunar south pole.

The assembly wasn't just about science – it was about dreams taking flight, about courage and curiosity lighting the way to the stars.

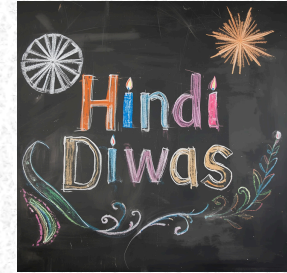

# हर अक्षर में बसी है हमारी पहचान।

*"Hindi – our pride, our identity."*

शब्दों में मिठास, भावों में गहराई,  
हिन्दी हमारी पहचान, हमारी तरक्की की सच्चाई।

To honour the beauty and richness of our national language, Dis Edge celebrated Hindi Diwas with pride and enthusiasm. The students presented poems, speeches, and skits that reflected their love for Hindi – the language that unites hearts across our nation.

The celebration reminded everyone that Hindi is not just a means of communication, but a melody that connects us to our culture, our roots, and our identity.

# GIGGLES 2.0 –

## ***“Together We Giggle Louder!”***

**Little feet tapped,  
Bright eyes sparkled,  
Voices sang in rhymes and giggles.  
Colors danced on tiny palms,  
Stories leapt from joyful lips,  
Puzzles solved, smiles shared,  
And laughter filled every corner of the day.  
In every hop, twirl, and cheer,  
Childhood bloomed –  
Together, louder, brighter,  
Giggles echoed in the heart of the school.**

# SHARING IS CARING

## *Students Lead Food Donation Initiative*

*Delhi International School Edge, in collaboration with the Rotary Club – Sanjhi Pehal, organized a Food Donation Drive to support the underprivileged. Students and parents participated wholeheartedly, donating raw food items with great generosity. The collected supplies were handed over by NCC cadets to Don Bosco Ashalayam, a shelter home for orphaned and marginalize filled every corner initiative, led by ANO Ms. Babita, CTO Mr. Naveen, and Ms. Sneha, reflected the school's commitment to compassion and social responsibility.*

# FAMILIES BOND OVER BRAINS AND BUZZERS!

*Delhi International School Edge hosted an engaging Family Quiz that brought together students and parents in a spirit of fun and learning. The event aimed to strengthen family bonds while encouraging teamwork and general awareness.*

*Participants showcased enthusiasm and quick thinking as they tackled questions across various categories. The lively atmosphere reflected joy, excitement, and healthy competition. The event concluded with applause for all families who took part, celebrating not just knowledge but togetherness.*

# A MEMORABLE VISIT TO GANDHI SMRITI!

As a part of Gandhi Jayanti celebrations, our students visited Gandhi Smriti on 2nd October, a place that beautifully preserves the life and legacy of Mahatma Gandhi. The visit offered a glimpse into Bapu's simple yet powerful way of living. Students explored the Gandhi Museum, viewed rare photographs and belongings, and reflected on the values of peace, truth, and non-violence. The soulful experience of singing patriotic songs at the site made the day truly meaningful – a reminder that Gandhi's teachings continue to inspire every generation.

***With dreams that soared beyond the skies,  
and hearts that glowed with pride.***

Our Annual Day, “Udbodh,” symbolized awakening and understanding – a heartfelt story woven around the bond between a kite maker and parenting. Through music, dance, and drama, we portrayed how guidance and freedom together help children find their own horizon, just as a kite soars high yet stays connected to its string of care..

## Glimpses from Ubodh

**"A creative presentation showcasing rhythm through a sustainable junk orchestra."**

**"Certificates were presented to students in recognition of their exceptional effort and dedication."**

**"A refined display of student talent through expressive dance and harmonious singing."**

**"A disciplined display of student leadership through their service as NCC cadets."**

## INSPIRING MINDS, SHAPING FUTURES!

Our students performed at the Student Ed Fair & Career Workshop, leaving the audience inspired with their confidence and creativity.

The event offered a platform to explore future possibilities and showcase emerging talents.

It was a proud moment of learning, inspiration, and growth for all.

## CONNECTING ACROSS BORDERS: ENRICHING PERSPECTIVES THROUGH CONSTRUCTIVE GLOBAL INTERACTION

Students attended an engaging workshop with Mr. Jacob Burton, University of Illinois, Chicago, that sparked curiosity and motivation.

Through interactive discussions and real-life insights, he guided them to think beyond textbooks.

The session left students inspired to dream big and pursue their goals with confidence.

# SPOOKY GIGGLES

*When twilight tiptoed in with a silvery hue,  
Kilkari's halls turned mystical too!  
Tiny witches danced, and goblins grinned wide,  
Pumpkins glowed bright with secrets inside.  
Laughter and giggles filled every space,  
As little ghosts twirled with sparkle and grace.  
From spooky games to treats so sweet,  
Our Halloween bash was a joyful feat!*

# MIND OVER MATTER — CHESS ZONALS 2025

---

The school buzzed with excitement as students gathered for the much-awaited Chess Zonal Championship. The event turned classrooms into arenas of intellect where every move counted and every second mattered.

From clever checkmates to daring openings, participants displayed creativity, confidence, and concentration. The audience watched in awe as young players thought three moves ahead, proving that real champions play with both heart and mind.

The day ended with applause and smiles — celebrating not just the winners, but every thinker who dared to dream on the 64 squares.

# HONOURING THE TORCHBEARERS OF KNOWLEDGE

On this Teacher's Day, we proudly felicitated our mentors whose dedication, wisdom, and compassion continue to inspire generations of learners.

A heartfelt tribute to those who ignite curiosity, nurture potential, and shape not just minds – but the future itself. 🌟

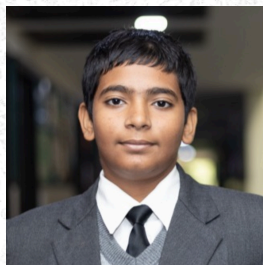

# VICTORY THROUGH STRENGTH
