F. No. DE-41(478)/Sports/2026-27/ 1800-01

Dated: 06/7/26

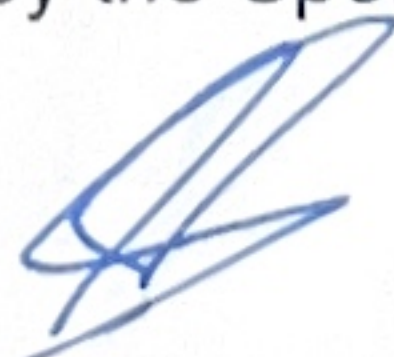

CIRCULAR

Subject: Tentative Schedule of Delhi State School Games (DSSG) 2026-27 – Conduct of Zonal Competitions and Submission of Entries.

A meeting of all Games In-charges for the Delhi State School Games (DSSG) 2026-27 was convened in the Sports Branch to deliberate upon the conduct and scheduling of the State School Games for the current academic session. After detailed deliberations and considering all relevant factors, including the likely impact of air pollution during the winter months, the directions/orders of the Hon'ble Courts issued from time to time, the academic calendar, SGFI event schedule and other logistical considerations, the enclosed Tentative Schedule of the Delhi State School Games (DSSG) 2026-27 has been prepared.

Accordingly, all Supervisors of Physical Education (SPEs) are hereby directed to take immediate necessary action and ensure strict compliance with the following instructions:

1. The Zonal School Games in all disciplines shall be planned and completed sufficiently in advance of the scheduled State-level competitions to ensure timely completion of all formalities.
2. All Supervisor of Physical Education (SPEs) shall ensure that the list of qualified players/teams of their respective zone, along with complete details of the accompanying team officials, is submitted to the Sports Branch (**Mr. Shivlochan Pd-9810989896/ Sh. Nitin Khatri-9654334223**) at least seven (07) days prior to the scheduled commencement of the respective State-level competition.
3. All entries shall be duly scrutinized and verified before submission. Incomplete proposals or entries received after the prescribed timeline shall not be entertained except under exceptional circumstances.
4. All SPEs shall ensure timely completion of all preparatory activities, including conduct of zonal competitions, verification of eligibility, preparation of fixtures, and coordination with participating schools, so that the State-level competitions are conducted smoothly and without delay.
5. The enclosed schedule is tentative and may be revised, if required, due to administrative exigencies or unforeseen circumstances. However, all preparations shall be made strictly in accordance with the enclosed schedule unless any modification is communicated by the Sports Branch.

6. It has been observed that, in many cases, the winning teams/position holders and individual winners of the Zonal level Games do not participate in the Delhi State School Games (DSSG) despite qualifying for the same. This has been viewed adversely. It is directed that all winning teams and individual winners of the Zonal School Games must be included in and participate in the Delhi State School Games, subject to fulfillment of the prescribed eligibility conditions. Any deviation from this instruction shall be viewed seriously and the concerned PET/SPE/ School shall be liable for action, including debarment from participation in future editions of the Games. Further, no marks/recommendation shall be awarded to the concerned PET/SPE for any honour, award, or recognition based on the said sports achievements at Zonal level.

As the Delhi State School Games involve participation of a large number of students from all Zones of Directorate of Education, timely completion of zonal competitions and submission of accurate entries is of utmost importance. Therefore, no laxity, delay, or deviation from the prescribed timelines shall be accommodated, and the concerned Supervisor of Physical Education (SPE) shall be held personally responsible for any lapse that adversely affects the conduct of the Delhi State School Games.

All concerned are directed to ensure its strict compliance.
