### **PRESS RELEASE**

#### **DIS Edge Conducts Free Cervical Cancer Vaccination Drive to Promote Girls' Health & Preventive Awareness**

Delhi International School Edge, Sector 18, Dwarka, organised a **Free Cervical Cancer Vaccination Drive** on **6<sup>th</sup> December 2025 (Saturday)**, reinforcing the school's commitment to safeguarding the health and future of young girls. This impactful initiative was conducted **with the active support of the Interact Club, NCC Cadets, and the Spandan Vertical**, in collaboration with the Rotary Club of Delhi Regency Next, in association with the **Rotaract Club of Delhi Heights** and **Rotary Club of Delhi West**.

#### **A Step Towards a Healthier Tomorrow**

The drive focused on raising awareness about **cervical cancer prevention** and highlighting the importance of **early vaccination** as an effective protective measure. Girls aged **9 to 15 years** received the vaccination under proper medical supervision, ensuring both safety and comfort throughout the process.

Parents were also counselled on:

- The benefits of early vaccination
- Long-term health protection
- Reduced risk of cervical cancer in adulthood

The session helped empower families with accurate information and encouraged proactive health decisions for their children.

#### **Strong Participation & Community Support**

The event witnessed enthusiastic participation from students and parents, demonstrating a collective commitment to promoting girls' health and strengthening preventive care. The school community came together to endorse the message that **early protection leads to a safer, healthier future**.

#### **Continuing the Vision of Health, Awareness & Social Responsibility**

With this noble initiative, **DIS Edge** continues to champion health education, preventive awareness, and social responsibility—values central to the school's vision for holistic development.

**Together, we move one step closer to a cervical cancer-free future.**
