## Honoring Women's Resilience and Achievements

### Dear Readers

In celebration of International Women's Day, we take a moment to recognize and honor the remarkable women who grace our lives with their strength, resilience, and achievements. Today is a poignant reminder to appreciate the contributions of women, not just on this specific day but every day.

Women across the globe continue to break barriers, shatter stereotypes, and rise above challenges. Their tenacity and grace inspire positive change in our communities, workplaces, and homes. As we commemorate this special day, let us extend our heartfelt gratitude to the women who make a lasting impact on the world around them.

This Women's Day, let's champion the spirit of equality, encourage one another, and strive for a future where every woman has the opportunity to reach her fullest potential. Join us in celebrating the women who shape our world and inspire us to dream bigger, reach higher, and create a more inclusive and empowered society.

Wishing you all a Happy International Women's Day!

Sincerely,  
Muskaan

# PRINCIPAL'S MESSAGE

Dear Students,

I trust this message finds you well and focused as we approach a significant juncture in your academic journey – the final exams. Your hard work, dedication, and resilience throughout this academic year have been commendable, and I am confident that you will approach these exams with the same determination.

As you prepare for your finals, remember to take breaks, get enough rest, and maintain a healthy balance between study and relaxation. Believe in yourselves, trust your abilities, and remember that challenges are opportunities for growth.

On a different note, March 8th marks International Women's Day, a global celebration of the achievements and contributions of women throughout history. It is a day to recognize the strength, resilience and impact of women in various fields. This year's theme, "Breaking the Bias," emphasizes the importance of challenging stereotypes and promoting gender equality.

Remember that each one of you, regardless of gender, plays a vital role in creating a more inclusive and equitable society. Let us work together to break down stereotypes, support one another, and foster an environment where everyone has the opportunity to succeed.

Wishing you success in your upcoming exams and a joyous International Women's Day celebration!

## **THE CULINARY QUEENS**

I'm Pooja Singh, the proud mother of Avyan Kumar. I crafted this delightful donut for my son after he indulged in watching the Peppa Pig cartoon. In response to his sweet request, I decided to whip up a donut for him, adding a touch of joy to his day.

Best,

**POOJA SINGH**

# MOTHER'S DAY CELEBRATION :

The Garden Glories : The green patches and the garden tendered lovingly with little helping hands!

Plants play a vital role in sustaining life. They generously provide us with oxygen, an array of fruits, vegetables, and various essential resources. Contributing to the environment, they effectively remove carbon dioxide. It is imperative for us to actively cultivate more plants to ensure a fresh and clean environment. Wishing all women a Happy Women's Day as we appreciate their nurturing spirit in fostering a harmonious connection with nature.

**The Whispering Wanderers the travelogue and the cherished tale from the travel diaries of young globe trotters !**

I fondly recall a memorable holiday trip to Jaipur. During our stay at a hotel with a charming swimming pool, I witnessed a surprising revelation - Sambhav's keen interest in swimming. Observing the way he confidently navigated the pool was a truly heartwarming experience for both my husband and me.

Though it might be too early to predict his future pursuits, this incident has inspired a decision within me. I am committed to supporting and standing by Sambhav in whatever he chooses to pursue in life.

Embracing Women's Day with the delightful tradition of sharing travel tales with my son fills my heart with joy. Grateful for these cherished moments.

Our trip to Goa was an absolute delight! Exploring the vibrant beaches, immersing ourselves in the rich culture, and savoring delicious seafood made the experience truly memorable. The lively markets added a unique charm, and witnessing the serene sunset moments was pure bliss. Goa became a special place where we not only created wonderful memories but also had an absolute blast together!

# “THE JOURNEY THROUGH TIME”

The excursion to the Rail Museum was a delightful educational experience for children. They marveled at the evolution of trains from steam locomotives to sleek modern ones.

# MOTHER'S DAY CELEBRATION :

**The Soulful Socialites - The charity deeds that establish our ethos of compassion for all!**

I have a vivid memory from my second-grade days when a seemingly innocent pencil skirmish turned into a rather serious affair. It all started when my friend snatched my brand-new sharpener, and in retaliation, I accidentally jabbed him with a sharpened pencil, leading to a bleeding ear.

The situation took an unexpected turn when I found myself summoned to the principal's office for my crime. To make matters worse, the school helper who witnessed all this, hailed from my locality. With her stern voice and raised eyebrows, she warned that she would unveil the entire incident to my father.

In a state of panic, I pleaded and begged for forgiveness while envisioning the impending wrath of my father. For months, I lived in fear of Didi Ji's complaint, but surprisingly, she never followed through. This episode left an indelible mark on me, teaching me the virtues of patience and the importance of sharing.

Sincerely,  
Raksha

# MOTHER'S DAY CELEBRATION :

**The Zesty Zenjoy - Sorties of fitness where the young hearts hold the wellness flag high and set worthy examples!**

As a mother to Arya and Nirosha, maintaining a healthy and balanced lifestyle is paramount in our household. I focus on sustaining my well-being through a consistent fitness routine, incorporating activities like yoga and strength training into my daily schedule. Prioritizing nutritious meal planning and practicing mindful eating habits not only sustains our active lifestyle but also ensures I have the stamina to keep up with my dynamic children. The joy of including them in our fitness journey is beautifully captured in the attached picture. Through my commitment to fitness, I aspire to be a positive role model for Arya and Nirosha, instilling values of health and happiness in our family.

Best Regards,

Anuja Mohan
