

From the Principal's Desk

Dear Students,

As we approach the auspicious occasion of Independence Day, I would like to take a moment to reflect on the significance of this day in our nation's history. Independence Day is a time to commemorate the sacrifices and struggles of our forefathers who fought valiantly for the freedom we enjoy today. As members of this vibrant educational community, it is crucial for us to recognize the responsibilities that come with the privileges of living in an independent and democratic nation. I encourage each one of you to take a moment to appreciate the diversity that makes our nation unique and to cultivate a sense of unity and understanding among your peers. Let us celebrate our differences and learn from one another, for it is through this exchange that we grow stronger as a community.

India on the Moon - Chandrayaan 3

The students, parents and guardians of DIS Edge witnessed the successful landing from the school rejoicing and cheering the landmark achievement. We conducted a Special Assembly to celebrate the success of Chandrayaan-3's landing and to make the students aware of the mission to the moon. The Honourable Management & Principal on behalf of the entire DIS Edge family heartily congratulated ISRO for their marvellous achievement.

Celebrating the brilliance of our Ek Mutthi scholars!

Students of DIS Edge participated in a Summer Internship Program organised by Ek Mutthi NGO and were presented the "Letter of Recommendation"
