Respected Sir/ Madam,

I am directed to forward herewith a DO letter dated 07.10.2025 (enclosed) of Secretary, Ministry of Health & Family Welfare (MoHFW), Government of India, regarding observance of a nation-wide **Cardio-Pulmonary Resuscitation (CPR) Awareness Week** scheduled from **13th to 17th October 2025**. This initiative seeks to enhance awareness, preparedness, and the capacity of the general public across all sectors, including educational institutions, in performing CPR.

2. CPR Awareness Week will include the following key activities:

- **Nation-wide pledge on CPR** for all health facilities and educational institutions (details enclosed as Annexure I)(enclosed)
- **A pan-India panel discussion on CPR techniques and the role of bystanders** (Annexure II) (enclosed)
- **Capacity building of school students** through physical demonstrations of compression-only CPR, in collaboration with Central and State Medical Colleges and the Indian Red Cross Society
- Awareness initiatives including **poster-making and quiz competitions** themed around bystander CPR
- Access to an **online video tutorial** and a set of Dos and Don'ts for CPR training and awareness (Annexure III)(enclosed)
- Detailed day-wise activity plans for the week (Annexure IV)(enclosed)

3. We request your cooperation to widely disseminate this information within your respective institutions and ensure active engagement in the CPR Awareness Week. Kindly share the details of the activities conducted, along with the number of participants, with this Ministry to help gauge the impact of this initiative.

4. For any clarifications or assistance, please feel free to contact Dr. Pradeep Khasnobis, Deputy Director General, Disaster Management Cell, MoHFW at Tel: 011-23063230 or e-mail: ddgdmcell-mohfw@gov.in.

With regards,

(Shah Faiz Ahmed)
Under Secretary
Ministry of Education
Shastri Bhawan, New Delhi

Dear Sir,

I am writing in context of observance of a **nation-wide Cardio-Pulmonary Resuscitation (CPR) Awareness Week** being organized by this Ministry from **13-17 October 2025**. This initiative aims to enhance awareness, preparedness, and capacities of general public across all sectors in performing CPR.

2. You may be aware that sudden cardiac arrest continues to be a major cause of preventable mortality, and timely administration of Cardio-Pulmonary Resuscitation (CPR) by trained individuals significantly improves chances of survival. Creating widespread awareness and building capacity among the general public is, therefore, a public health priority.

3. Compression-only Cardiopulmonary Resuscitation (CPR) is a lifesaving technique that plays a critical role in reviving individuals during sudden cardiac arrest. Studies indicate that without CPR, brain damage can occur within minutes, and every minute of delay decreases survival chances by about 10%. Immediate bystander CPR can increase survival by two to three times. While nearly 50% of people in high-income countries have undergone CPR training, in India the bystander CPR rate remains alarmingly low, ranging only between 1.3% and 9.8%.

DS (RCM)

4. The above mentioned nationwide CPR Awareness Week will include a series of activities aimed at sensitization, training, and community engagement. The key activities will include:

a) Nation-wide pledge on Cardio-Pulmonary Resuscitation (CPR) – For all health facilities across the country from primary to tertiary levels in virtual mode as also through other modes (pledge as detailed at **Annexure I**)

b) A pan-India panel discussion on 'CPR techniques and role of bystanders' - (instruction on joining the virtual platform is detailed at **Annexure II**)

c) Capacity building of school students under Central and State School Boards in form of organizing physical demonstrations on compression only CPR;

This may be taken up in collaboration with:

- Central and State Medical Colleges
- State and District Branches of the Indian Red Cross Society

USCSFA

A link to an online video tutorial for this purpose is available at **Annexure III**.

Also a set of Dos and Don'ts while doing CPR is enclosed as **Annexure III**. These may be utilized for training and awareness activities.

d) Awareness building initiatives poster making/quiz competition themed around need and role of bystander CPR etc.

5. Details of day-wise activities planned for the CPR Awareness Week is also enclosed as **Annexure IV**. Participating schools may also consider sharing the activities undertaken on their respective social media handles using the **#CPR4Life2025**.

6. I am confident that with your cooperation, we can make significant steps toward developing community capacities for health emergencies. Activities undertaken in this regard, along with the number of participants, may also be shared with this Ministry. For any clarification or assistance, you may contact Dr. Pradeep Khasnobis, DDG, Disaster Management Cell, MoHFW (Tel: 011-23063230; e-mail: ddgdmcell-mohfw@gov.in).

Looking forward to your enthusiastic participation in this vital initiative.

Encl.: as above

With regards
Yours sincerely,

Punya Salila
(Punya Salila Srivastava)

Shri Sanjay Kumar
Secretary,

Ministry of Education, New Delhi

Annexure I

Pledge: CPR Awareness Week 13th-17th October 2025

I solemnly pledge that:

- a) I recognize the importance of timely cardio-pulmonary resuscitation (CPR) in saving lives.
- b) I will try to learn, practice, and keep myself updated with the correct techniques of CPR.
- c) I will try to help individuals in a health emergency and will provide assistance with courage, compassion, and responsibility until professional medical help arrives.
- d) I will encourage my family, friends, colleagues, and community members to become aware of CPR and its life-saving potential.
- e) I will respect human life and dignity, and stand committed to creating a society where everyone is empowered to respond to medical emergencies with confidence.
- f) I will actively support awareness, training, and preparedness activities that build safer and healthier communities.

With this pledge, I commit myself to be a responsible and prepared citizen - ready to save a life when every second counts.

प्रतिज्ञा: सीपीआर जागरूकता सप्ताह 13-17 अक्टूबर 2025

मैं सत्यनिष्ठा से प्रतिज्ञा करता/करती हूँ कि:

- मैं अचानक हृदय संबंधी आपात स्थितियों के दौरान जीवन बचाने में समय पर कार्डियोपल्मोनरी रिससिटेशन (सीपीआर) के महत्व को समझूँगा/समझूँगी।
- मैं सीपीआर की सही तकनीकों को सीखने, उनका अभ्यास करने और उनसे खुद को अपडेट रखने का प्रयास करूँगा/करूँगी।
- मैं स्वास्थ्य संबंधी आपात स्थितियों में लोगों की मदद करने का प्रयास करूँगा/करूँगी और पेशेवर चिकित्सा सहायता आने तक साहस, करुणा और ज़िम्मेदारी के साथ सहायता प्रदान करूँगा/करूँगी।
- मैं अपने परिवार, दोस्तों, सहकर्मियों और समुदाय के सदस्यों को सीपीआर और इसकी जीवनरक्षक क्षमता के बारे में जागरूक होने के लिए प्रोत्साहित करूँगा/करूँगी।
- मैं मानव जीवन और गरिमा का सम्मान करूँगा/करूँगी, और एक ऐसे समाज के निर्माण के लिए प्रतिबद्ध रहूँगा/रहूँगी जहाँ हर कोई चिकित्सा आपात स्थितियों का आत्मविश्वास के साथ जवाब देने में सक्षम हो।
- मैं जागरूकता, प्रशिक्षण और तैयारी गतिविधियों का सक्रिय रूप से समर्थन करूँगा/करूँगी जो सुरक्षित और स्वस्थ समुदायों का निर्माण करती हैं।

इस प्रतिज्ञा के साथ, मैं एक ज़िम्मेदार और तैयार नागरिक बनने के लिए प्रतिबद्ध हूँ - हर पल महत्वपूर्ण होने पर एक जीवन बचाने के लिए तैयार।

Click on the registration link and fill the form

Alternatively, QR Code placed below may also be used for registration

Link for joining the Pledge and Panel Discussion will be sent to the email ID provided during the registration process

Click on the link communicated to the registered email ID and join the event.

Please note that the link will be valid for attending the Pledge and Panel Discussion on 13 and 14 October 2025 respectively as per shared schedule.

For any technical assistance regarding registration, you may contact:

- Mr. Sachin Chauhan , Ph. 9871253461, Email: sachin.chauhan@echoindia.in

QR Code for registration

Annexure III

Dos:

- ✓ Ensure yours and the victim's safety first
- ✓ Check responsiveness by tapping on shoulder and shouting "Are you alright?"
- ✓ If no response Call for Emergency Services (like 112/108/102) and start chest compressions (CPR)
- ✓ Ensure that the victim is lying on a firm, flat surface
- ✓ Keep your elbows straight while performing chest compressions
- ✓ Perform chest compressions at a rate of 100-120 per minute
- ✓ Allow chest to return to normal position before giving the next compression
- ✓ Continue CPR till either the person is revived or medical help arrives
- ✓ Use an Automated External Defibrillator (AED), if and when available

Don'ts:

- x Do NOT panic
- x Do NOT delay chest compression
- x Do NOT administer chest compression if the victim is conscious
- x Do NOT interrupt in between chest compressions
- x Do NOT bend your elbows while giving chest compression
