Date: 22nd September, 2021

Donate Old Books & Uniform/Clothes

Dear Parents,

I hope and pray all members of my DIS Edge family are safe and are constructively utilizing the stay at home period. While we are safe, we have many underprivileged children around who deserve our compassion and empathy. A small act of kindness goes a long way and in such dire times, it becomes imperative to help the less privileged ones.

Our children shortlisted for student council were sensitized on the social responsibility. I feel blessed and happy to encounter a bunch of sensitive and thinking children around who instantly stepped forward to volunteer their services. They have generously expressed their desire to help by donating handmade masks, stationary, books, toys, old uniform & clothes in good condition.

To provide wings to their precious deeds of kindness, a donation drive is being organized by the student council of DIS Edge”

Your kind gesture goes a long way in developing the responsibility in our children towards our community. Desirous members are requested to pool in their donations at the donation box kept in the guard room. The drop box will be available till 10th October'21.

Kindly do not forget to mention the name of the child with class and section in the list of donors at the gate. The students stepping forward to extend help in any form will be felicitated with an e-Certificate.

Let us make a difference to as many lives as we can. Do something for people not because of what they are or what they can do for you, but because of what you are !.

Best wishes & Warm Regards,

Anubha Srivastava
