

Meeting with Parents on School Reopening

Dear Parents,

Greetings !

Reference to circular No. DE.23(08)/Sch.Br./2021/611 dated 29th October 2021, the schools are allowed to open from November 1st, 2021. While we eagerly look forward to having the children back in school, the safety of our children and their families is our top priority. We seek your support in the smooth and safe transit from online to offline school.

We will be reopening the school for classes Nur-X from 8th Nov’21 in a phased manner. A detailed circular mentioning all reopening date and safety modalities will be forwarded to you shortly. The school is well prepared to welcome our students back to school. We are following all the COVID-19 protocols and Standard Operating Procedures and precautions issued by DOE. Our Teaching, Non-teaching and Admin staff is fully vaccinated. Along with our preparedness, your feedback and cooperation will help us make the best decisions for your child.

Kindly make yourself available for a brief meeting with the Principal on online mode to share your inputs and address your concerns if any.
