Curriculum Road Map Day

Dear Parents,

We are happy to welcome children back to school after a long tenure of disrupted learning for them. We have been identifying learning & behavioural gaps in various forms in children and have been devising strategies to address the challenges while we maintain the regular offline schooling to meet their needs for exposure to social interaction.

We request your presence for the annual curriculum Road Map Day program to share with you the strategies and the regular curriculum planning.

This will benefit both the parents and school staff in establishing a better rapport and help in taking care of the children's education with a common approach.

To ensure low density we have broken up the schedule class wise. The details of the **Curriculum Road Map Day** for **Class VI** are as follows:

Day & Date	:	Saturday, 23rd April, 2022
Time	:	08:00 a.m. - 09:30 a.m.
Venue	:	School Atrium

If you wish to share any questions/concern in advance, please write to us at academic@disedge.ac.in

Looking forward to an enriching interaction.

Thanking you and wishing you health and safety.

Warm regards,

Anubha Srivastava
Principal
